Lincoln High Newsletter

Donna Rehman - zakons@comcast.net

I was fooling around this morning and found this article about the Golden Eagle BBQ Sauce, from Wisconsin Rapids.

I Thought it was very interesting. Last year or so, there was a big discussion on this BBQ sauce.
I wonder if any of those recipes submitted were exactly like this one ?

Paul Harshner - jensam@hotmail.com

Does anyone know the whereabouts or well-being of our former World History teacher, Barbara Ferguson? I would appreciate any information available.

Thank you,
Paul
