Number #5, We lived in the old Witter farm house,

Nick lives in the Witter coop(ative) the only one I know of in Rapids.

I think Nick once said that TW borrowed money from one of the Witter's (Jeremiah?) to go to law school,

Wasn't one of your broker's Dean Witter?

Billy has probably never been witter than he is now.

I do not believe I will share any of that with Visby.
