A new foster mother and her foster child meet with Chinese Children's Charities Projects **Director Xia (on left, feeding baby) and CCC volunteer John Droste (holding another child soon to join her foster family)**. A yearly sponsorship, donated by an individual or a group, is necessary for a child to be placed with a family.

Hi Kent,

We're in Wisconsin again, this time for a family wedding. We made it home safely with **the boat**. Looking forward to getting it out when these vacations are over. We still have at least three months of boating after August, you know.

In keeping with the area restaurant review theme, I thought I'd add my two cents worth. We were in Minocqua on Monday and Tuesday, and ate at the micro-brewery on the lake across from the Americalnn. Not worth it. The food wasn't that great and the waitress couldn't figure out how to give us separate checks. Then we had breakfast at the Island Cafe downtown - great omlettes and strong coffee, and a great, wise-cracking waitress.

Wednesday night we went to the Sky Club with Harris (LHS '62) and Nancy (Sobata, AHS '63) Timm for the buffet. Outstanding food, great variety, excellent salad, and a great value at \$7.99. I don't know if they do that every night or just Wednesdays, but it's definitely worth the money to find out and go there often.

We stopped to see Jack and Jean Gilbertson afterwards. I haven't seen Jack for probably 35 years! He lived a couple of blocks behind me on Peach Street when I lived at home on Chestnut Street. He had a speed shop in his basement and it was the only place we could get D-A Speed Sport engine oil in Rapids in those days. Jack had a primered '51 Chevy 2-door hardtop with '55 tail lights. It never got finished, as many of our cars in those days. He said it's still around town and still not finished. That may be the longest running project in the history of hot rodding.

Jack has finished some cars since then. We had a tour of his garage (shop) and saw the '32 Ford chopped coupe that is finished, and the '55 Chevy convert he's restoring. Ask him about that Studebaker V-8 in the coupe. First class work. Jack also told me the Creepers Car Club has been revived and is going strong again. Although I was in the Untouchables in those days, I wish I was around here to get involved in the hobby again. It was a great trip down memory lane.

Anyway, that's my Wisconsin update. Thanks for the great work you do on the newsletter,

Bill Hartley '63 & Shirley (Black) Hartley '64 - toyguy5538@aol.com

Editor's note!

Be careful about opening e-mail with attachments! Some of the latest viruses seem to come from me or from someone you know! Be assured that they are not from me! The "virus" borrows an e-mail address from someone's infected address book and creates an e-mail with the virus attachment and sends it along! Be sure to have an up to date anti-virus program installed in your computer to catch these nasty little things! **I never send the Newsletter with "attachments"!** The pics are **always imbedded** in the text to avoid this problem!

We had lunch with Tom and Susan Hornig in McFarland/Madison. Tom and I were neighbors (right next door) and classmates (LHS 65) in Wisconsin Rapids. We had a nice visit at their home on Lake Waubesa.
